I was late but I arrived
I m sorry but I d rather be getting high than watching my family die
Exaggerate and you and I
Oh I think I did something terrible to your body, don t you mind?

I put your mother through hell, don t you mind?
I hurt your brother as well, don t you mind don t you mind?
Oh I was thinking about killing myself, don t you mind?
I love you, don t you mind don t you mind?

I put your mother through hell, don t you mind?
I hurt your brother as well, don t you mind don t you mind?
Oh I was thinking about killing myself, don t you mind?
I love you, don t you mind don t you mind?
