Intro: **F# G# Fm Bbm**

(**F# G# Fm Bbm**)

A soft sound
To the way that she wears her hair down
Covering up her face.
Oh what a let down,
And I don't seem to be having any effect now
Falling all over the place.

F#

But you're losing your words

G#

We're speaking in bodies

Fm Bbm (G#)

Avoiding me and talking about you.

F#

You're losing your turn

G#

I guess I'll never learn

Fm

Bbm

Cause I stay another hour or two.

(**Bbm G#**)

Fm

Bbm

For crying out loud, settle down!
You know I can't be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.

(repeats throughout just like above)

Rest of the lyrics:

A small town
Dictating all the people we get around
What a familiar face.
Do you get what I mean now?
I'm so fixated on the girl with the soft sound
And hair all over the place.

And you're sure that I'd learn

I m pushing through bodies
Avoiding me and walking round you.
And you re cold and I burn
I guess I ll never learn
Cause I stay another hour or two.

For crying out loud, settle down!
You know I can t be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.

A soft sound
And to the way she wears her hair down
Covering up her face.
Oh what a let down,
I don t seem to be having any effect now
Falling all over the place.

And you re sure that I d learn
We re speaking in bodies
Avoiding me and talking bout you.
And you re sure that I d learn
I guess I ll never learn
Cause I stay another hour or two.

For crying out loud, settle down!
You know I can t be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.
