

Seattle Dawn
The 1975

Intro: **G A F#m Bm**

(**G A F#m Bm**)
A soft sound
To the way that she wears her hair down
Covering up her face.
Oh what a let down,
And I don't seem to be having any effect now
Falling all over the place.

G
But you're losing your words
A
We're speaking in bodies
F#m Bm (A)
Avoiding me and talking about you.
G
You're losing your turn
A
I guess I'll never learn
F#m Bm
Cause I stay another hour or two.

(**Bm A**)

G A F#m Bm
For crying out loud, settle down!
You know I can't be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.

(**G A F#m Bm**)

(repeats throughout just like above)

Rest of the lyrics:

A small town
Dictating all the people we get around
What a familiar face.
Do you get what I mean now?
I'm so fixated on the girl with the soft sound
And hair all over the place.

And you're sure that I'd learn

I m pushing through bodies
Avoiding me and walking round you.
And you re cold and I burn
I guess I ll never learn
Cause I stay another hour or two.

For crying out loud, settle down!
You know I can t be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.

A soft sound
And to the way she wears her hair down
Covering up her face.
Oh what a let down,
I don t seem to be having any effect now
Falling all over the place.

And you re sure that I d learn
We re speaking in bodies
Avoiding me and talking bout you.
And you re sure that I d learn
I guess I ll never learn
Cause I stay another hour or two.

For crying out loud, settle down!
You know I can t be found with you
We get back to my house
Your hands, my mouth
Now I just stop myself around you.
