

Time In Mind
The 2 Bears

Hi there. This is the first tab I have ever done for a song but I thought this was justified because it s an incredibly catchy song by a band that has a lot of quality material. Not to mention it s fairly easy!

Capo 1

Verse Chords: **G D G C D G**

Chorus Chords: [**D C G**](x3) **G D G D G**

(The chords are always the same for each verse and chorus)

Verse 1

G **D**
It wasn t you, the angel on my mind

G
In the end I wasn t sad to leave behind

C
I did a lot of bad things, got busted, now I m fine

D **G**
Now I ve got to suck it up and do the time in mind

G **D**
I was out carousing for oh so many nights

G
Dipping here and dipping there I give myself a fright

C
Most ever body near me, they got sold a line

D **G**
Now I ve got to suck it up and do the time in mind

Chorus

D

Time in mind

C

G

Should be an easy thing to do

D

Time in mind

C

G

Your not in a cell, there ain t no screws

D

But you ll find

C

G

Your conscience giving it to you

G

D

G

It goes do do-do do-do do do do the time in mind

D

G

Do do-do do-do do do do the time in mind

Verse 2

My uncles they told me, the right thing to do
I knew they told the truth but still I carried right on through
Till I broke their hearts, hers and hers and mine
Now I ve got to suck it up and do the time in mind

(Chorus)

Verse 3

One of these broken-hearted women, said to me one day
I wish there was a court for love they d surely make you pay
I said I m so sorry darling, there s no court of that kind
but you should know I ve been a prisoner doing the time in mind

(Chorus)

Enjoy!
