

Oh Adilene  
The .357 String Band

[Verse 1]

**Em** **G**  
I m feelin so low down and the rain it just won t let up  
**Em** **G**  
It s a demon in my head and the devil in my cup  
**Em** **C**  
Things keep on moving forward but I keep falling down

And I said

[Chorus]

**G D Em**  
Oh Adilene,  
**C G D Em**  
You re the only girl for me  
**C Am**  
So I pour another round  
**C**  
As the evening sun goes down  
**G**  
Wherever I m hangin round, my love,  
**D G**  
Till I return to thee

[Verse 2]

**Em** **G**  
I been puttin them spirits down, to try to keep my spirits up  
**Em** **G**  
I got a sweetheart home alone, she puts the fever in my blood  
**Em** **C**  
And I gotta keep on movin but tell her I m coming home

And I said

[Chorus]

**G D Em**  
Oh Adilene,  
**C G D Em**  
You re the only girl for me  
**C Am**  
So I raise another glass  
**C**  
Pray the future forgets the past  
**G**  
And that that day might come at last, my love,  
**D G**  
When I return to thee

[Verse 3]

**Em** **G**  
Well it s one more honkey tonk and it s one more hazy night  
**Em** **G**  
It s one more Maker s Mark and it s one more lonely fight  
**Em** **C**  
It s one more sad song then I ll drive on through the night

And I said

[Chorus]

**G D Em**  
Oh Adilene,  
**C G D Em**  
You re the only girl for me  
**C Am**  
So I drink to who I was  
**C**  
It won t bring me peace; what does?  
**G**  
Well, not a thing my love,  
**D G**  
Till I return to thee
