```
You Better Run
The .357 String Band
[chorus]
Don t fuss, don t fight
Or I m gonna take you down tonite
You better run, my friend
You better run along
      G
Don t mess with me
Don t you test my patience please
You better run, my friend
You better run.
[verse 1]
Well, I ain t one to cause no scene
No, I never would start a fight
                                                  D
But there ain t no sense in turnin cheeks if a brother s gonna cross that line
Now, you better run
           G
You better run, my friend
                              D
                                           C
You better run, that s right Or I m gonna take you down.
[chorus]
                 G7
Don t fuss, don t fight
            С
Or I m gonna take you down tonite
You better run, my friend
You better run along
Don t mess with me
      С
Don t you test my patience please
```

D

```
You better run, my friend
You better run.
[verse 2]
Well, you can stay and you can get burned (Oh, Lord, you better get a move on)
If you need a healthy lesson learned (Oh, Lord, you better get a move on)
And run
You better run, my friend
           С
You better run, that s right
            C
Or I m gonna take you down.
[chorus]
                 G7
     G
Don t fuss, don t fight
Or I m gonna take you down tonite
You better run, my friend
You better run along
Don t mess with me
      С
Don t you test my patience please
You better run, my friend
You better run.
