Molly  
INTRO

**G#m**                      **Ebm**  
I hope I, soon die  
**F#**    **C#**  
Meet up with my molly in the sky,  
**G#**    **Eb**  
And I hope I soon die  
**F#**    **C#**  
Pack and leave without saying goodbye

Verse 1

**Ebm**    **F#**  
Woke in my bed all alone,  
**G#m**    **B**  
Found her note by the telephone.  
**Ebm**    **F#**  
She said that she had had enough,  
**G#m**    **B**  
Packed her bags and took her stuff.  
**Ebm**    **F#**  
Knew I'd have to trail behind,  
**G#m**    **B**  
Didn't she know she was mine.

Bridge 1

**F#**    **C#**  
Ripped the covers off the bed  
**F#**    **C#**  
Wrapped her thighs around my head  
**F#**    **C#**  
Loving everything she said

Verse 2

**Ebm**    **F#**  
Tracked her to some cheap motel  
**G#m**    **B**  
Opened up the door to hell  
**Ebm**    **F#**  
Heard molly's screams getting louder

**G#m** **B**  
Found her with a creep who didn't care about her  
**Ebm** **F#**  
Ripped the covers off the bed  
**G#m** **B**  
Got the fucker in the head  
**Eb m** **F#**  
Took molly for one last go  
**G#m** **B**  
Why she cried I'll never know  
**Eb m** **F#**  
But on that night molly did find  
**G#m** **B**  
All that she had left behind  
**Ebm** **F#**  
I love you more than I can say  
**G#m** **B**  
Gonna kill you anyway

Classy Interlude

**G#m E**

Bridge 2

**F#** **C#**  
Tied her down onto the bed  
**F#** **C#**  
Wrapped a rope around her head  
**F#** **C#**  
Regretting everything she said  
**F# C#**  
**F#** **C#**  
Wasn't long before she's dead

**Ebm F# G#m B**

Verse 3

**Eb m** **F#**  
In the dark the neighbours heard  
**G#m** **B**  
Molly screaming her last words  
**Ebm** **F#**  
Found her head in a river bank  
**G#m** **B**  
She only has herself to thank  
**Ebm** **F#**  
Though the creep made it out the door  
**G#m** **B**  
He didn't walk no more  
**Ebm** **F#**  
But my molly I'm still missing  
**G#m** **B**  
Miss her loving, miss her kissing

**E♭** m

**F#**

There is nothing more for me

**G#m**

**B**

Need the end to set me free
