Red
The 69 Eyes

Red (the 69 eyes)

C#m
Hopefully you ll get what you wanted
A
And hopefully you ll get what you need
E   **B**
The taste of blood is always lonely
F#
Cuts you like a heart of steel
C#m   **B**
And Hopefully you ll get you wanted
A
And hopefully you ll get what you need

                              C#m

When something is broken
A
Left wide open
        E
Don t say you need me it s too late
 F#
I cannot say
                          C#m
When something is broken

C#m
Hopefully you ll get what you wanted
A
And hopefully you ll get what you need
E   **B**
Red is like you always told me
F#
The colour of what is real

                            C#m
When something is broken
A
Left wide open
         E
Don t say you need me it s too late
 F#
I cannot say
C#m
When something is broken (broken)
A

Left wide open (left wide open)
E
Don t say you need me it s too late
 F#
I cannot say
F#
When something is broken

    D#m   **B**
Something is broken
            G#   **A#**
Something is broken

                        Dm
When something is broken (broken)
                        A#
Left wide open (left wide open)
                        F
Don t say you need me it s too late
                        G
I cannot say
                        Dm
When something is broken (broken)
                        A#
When something is broken (broken)
                        F
Don t say you need me it s too late
                        G
I cannot say
          Dm A# F G
When something is broken
