Stephen Merritt and the 6ths w/Momus

Capo 2

Intro: **Bb**

Bb **F**
Let the camera linger on your perfect skin

Your widows peak and your lucky grin

Eb
And the bluest eyes I know

Ebsus2 **Bb**
As you turn to go

Let there be a record of your gorgeous voice
The turn of phrase that filled my days with joy
Something like Bing singing soft and low
As you turn to go

Eb **Bb** **F**
I know I`m not supposed to say I`m sorry

Eb **Bb** **F**
I know you`ve had more loves than Mata Hari

Eb **Bb** **F**
But you know you`re the star of my life story

Bb
And I`m so sorry

Let the poets struggle to describe your heart
Your art of love and your love of art
Well, if you ever loved me
Tell me so
As you turn to go
