

Do Not Love Too Long
The Abramson Singers

First tab, so please forgive me if I can t get the chords to be highlighted...
haha.

Anyway, this song is based off the poem by William Butler Yeats. I feel like I shouldn't

have to type this, but just in case: I do not own anything in this song.

No capo

Em

Sweetheart do not love too long,

G **D**

I loved long and long,

C Em

And grew to be out of fashion,

C D

Like an old song,

Em

All through the years of our youth,

G D

Neither could have known,

C **Em**

Their own thoughts from the others,

C D

We were so much at one,

C Em

But 0, in a minute (s)he changed,

Em

O do not love too long,

C Em

Or you ll be out of fashion,

Em D

Like an old song.
