

Attention

The Academy Is...

A
Attention, attention
May I have all your eyes and ears to the front of the room
Bar **A**
If only, if only for one second

A
This table, has taken a turn for the worst
Rock bottom, and over the edge
Bar **A**
Well, it s not like it hurts that much anyway

A
Upside down, and inside out
When I leave here I m going alone
Bar **A** **F#**
Well it s not like it, not like it hurts that much anyway

A
Attention, attention
F#
May I have all your eyes and ears
to the front of the room
Bar **A** **F#**
If only, if only for one second
Will you hear what I have to say

A
Oh, oh, oh did I mention
F#
When I see you it stings like hell
Bar **A**
to the fact that we could have something
F#
That ll never happen
Will you hear what I have to?

A
This balance, has weighed out our heart s desire
I m trying, to make it alone
Bar **A** **F#**
Well, It s not like it hurts that much anyway

A
Upside down, and inside out
When I leave here I m going alone
