

Beware Cougar
The Academy Is...

This may not be perfectly accurate... the E chord doesnt sound quite right to me... I this on my acoustic guitar.

E
When I met you, you were on your back.

G **D**
We still spend most afternoons like that,

A
But not for long.

E
I find myself enjoying you,

G
But you play these reckless games

D
You ll never lose

A
As long as I m around.

E
Do you want to tie me up?

G **D**
Do you want to tie me down?

A
Go ahead and do it now.

E **G** **D** **A**
So far, so good, let it roll, let it ride, ride.

E **G** **D** **A**
So far, so good, let us fall, let us fight, fight.

G **C**
It s no fun on the sidelines.

E

We both know I m too young for you,

G

And when you fake a laugh behind the wheel,

D

A

I know where this road is heading to.

E

With a sunken lie I lay in bed,

G

But I will live to be twenty-three.

D

A

And you ll see just how clever I can be...

E

Do you want to tie me up?

G

D

Do you want to tie me down?

A

Go ahead and do it now.

E

G

D

A

So far, so good, let it roll, let it ride, ride.

E

G

D

A

So far, so good, let us fall, let us fight, fight.

G

C

It s no fun on the sidelines.

E

G

D

A

Driving backwards, wasting time.

E

G

D

A

Young love is ruthless, so learn to fly.

E

You taught me things I can t forget.

G

Positions that I don t regret.

D

A

I can t walk away, and I can t shake the taste.

E

Do you want to tie me up?

G

D

Do you want to tie me down?

A

Go ahead and do it now.

E

G

D

A

So far, so good, let it roll, let it ride, ride.

E **G** **D** **A**

So far, so good, let us fall, let us fight, fight.

G **C**

It s no fun on the sidelines.

RIFF (x1)

G **A** **D**

Don t write a word, cuz I won t reply.

This last part gets a little tricky for one guitar... you can continue with the riff

the last line instead. Listen to the song before you try to play this.
