

Everything We Had
The Academy Is...

Dmaj7 **Gmaj7**
You were the only face I d ever known.

Dmaj7 **Gmaj7**
I was the light from the lamp on the floor,
D **Em** **F#**
D
and only as bright as you wanted me to be.

Dmaj7 **Gmaj7**
But I am no gentleman, I can be a prick,
Dmaj7 **Gmaj7**
and I do regret more than I admit.

D Em G **D Em G**
You have been followed back to the same place I
Dmaj7 **Gmaj7**
Sat with you drink for drink.

C **Am7**
Take the pain out of love, and then love won t exist.

D **A**
Everything we had, everything we had,
Bm **Gmaj7**
everything we had, everything we had
Dmaj7 **Gmaj7**
Is no longer there.

Dmaj7 **Gmaj7**
It was the only place I d ever known.
Dmaj7 **Gmaj7**
Turned off the light on my way out the door.

Dmaj7 **Gmaj7**
I will be watching wherever you go,
Dmaj7 **Gmaj7**
through the eyes of a fly on the wall.

D Em G **D Em G**
You have been followed back to the same place
Dmaj7 **Gmaj7**
I sat with you drink for drink.

C **Am7**
Take the pain out of love and then love won t exist.

D **A**
Everything we had, everything we had,
Bm **Gmaj7**
everything we had, everything we had
Dmaj7
Is no longer there, longer there.

Bm **D** **A**
