Forever alone, until I found you

Now you re always there, voice on the air, scent on my clothes

Oh, but when the sun exposes all my demons
G A Bm
Will you stay, or run away?

[Chorus]

G D A
I ll help you find your way
Bm G
Every moment you re awake
D A
You know I ll stay
Em D/F#

[Verse 2]

G A Bm

Wherever you go they say I m bad news

When everyone agrees, whispers start sounding like screams

Oh, but I know what you want to say before the words escape your teeth

Will you trust in me?

[Chorus]

I ll help you find your way

Every moment you re awake

You know I ll stay

Even in your dreams

I ll pull the stars down from the heavens

to fill your empty skies

I m yours tonight

I m yours tonight

[Bridge]

My good intentions

Can leave the hardest hearts

The harshest scars you ve ever seen

My bad impressions

They will follow me

Making enemies that I can t see

Forever alone

Till I found you

I know that you ll stay

You won t run away
