C **F**
I took a step back as the room was filling up
C **F** **C**
I was packed against some people who were tossing up a strong vibe
C
Now the door s locked
F
And the shower s on
C **F**
And I realize I don t recognize anyone
C
But I don t mind
F **G**
Well the neighbors have complained damn near every night
F **G**
The neighbors have complained damn near every night

C
You shoulda shown up
F
Shoulda shown up by now
C
You shoulda shown up by now
F
With a knock at the door
G
The knock at the door as it goes
Am
Whoa...

C
Well now everybody s losing control!
F
Intoxicated circulation
C **F**
Just try and sit back, get my palette wet
C **F**
Getting mentally prepared for the consequences
C **F**

And you know why

C

Because that knock at the door

F

Calls the crowd to quiet

C

F

The neighbors have complained damn near every night

C

You shoulda shown up

F

Shoulda shown up by now

C

You shoulda shown up by now

F

C

Give it a rest, give it a rest, give it a rest

You shoulda shown up

F

Shoulda shown up by now

Am

You shoulda shown up by now

F

With a knock at the door

G

The knock at the door as it goes

C OR **Am**

Whoa... whoa... whoa... whoa...

F

Am

There s no one left lying on the second story floorboards

F

And I m sure they heard next door

C

But the bottles are hollow now

F

And there s room at the bottom

C

And I would take it all back

F

If I could, but I won t!

C

F

Sit back, get my palette wet

C

F

Getting mentally prepared for the consequences

C

F

And you know why

C

F

Because the neighbors have complained damn near every night

F **C**

The neighbors have complained damn near every night

You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest, give it a rest, give it a rest
You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes

Am

Whoa... whoa... whoa... whoa...
