Verse 2: Use Verse 1 Chords

Heart on a hook thrown out to the sea,  
your basement busy.  
Sitting in the dark, I turn the radio off for a  
phone call youâ€™ll likely miss.  
Wake me when itâ€™s over.  
The last sound of goodbye.

Chorus Chords:

If this is a test, Iâ€™m losing my shit  
Would it kill you to care as much as I did?  
If this is a test, Iâ€™m wasting my breath  
Youâ€™re a stranger I know well, and not at all.

**Em**          **D**                          **C**                          **Em D C**  
â€œLetâ€™s imagine the end before we even begin,â€• you said.

Chorus Chords: (repeat 2x)

If this is a test, Iâ€™m losing my shit  
Would it kill you to care as much as I did?

Youâ€™re a stranger I know well, and not at all.
