Verse 1 Chords:
G C Em D C
Look like a lush. Talk like a tease. The way you like it.
G C
In front of your house, alone on the street,
Em D C
you ask me to come in-side.

Asleep through all our classes,
C
you hang me out to dry.

If this is a test, Iâ€™m losing my shit

Would it kill you to care as much as I did?
If this is a test, Iâ€™m wasting my breath
Youâ€™re a stranger I know well, and not at all. (Intro Chords/riff)

Verse 2: Use Verse 1 Chords

Heart on a hook thrown out to the sea,
your basement busy.
Sitting in the dark, I turn the radio off for a
phone call youâ€™ll likely miss.
Wake me when itâ€™s over.
The last sound of goodbye.

Chorus Chords:

If this is a test, Iâ€™m losing my shit
Would it kill you to care as much as I did?
If this is a test, Iâ€™m wasting my breath
Youâ€™re a stranger I know well, and not at all.

:before Bridge play Riff 1 a couple times

Bridge: (repeat 2x)

â€œLetâ€™s imagine the end before we even begin,â€• you said.

Chorus Chords: (repeat 2x)

If this is a test, Iâ€™m losing my shit
Would it kill you to care as much as I did?
If this is a test, Iâ€™m wasting my breath
Youâ€™re a stranger I know well, and not at all.

Outro:

Youâ€™re a stranger I know well, and not at all.
And not at all. Youâ€™re a stranger I know well
