

**Youre All Fools**  
**The Adicts**

I don't have the patience currently to tab this out, but here are the chords.  
The others I have seen of this song are very incorrect.

Verse: **D - A# - F - A# - F - G - A**

I use a bar chord and use mostly the higher strings for the D. The rest are just power chords.

I can't really tell what the chords are for the chorus. Let me know if you can figure it out. Between the keyboards, lead guitar and vocals I can't really hear the rhythm guitar or bass line.
