Send My Heart
The Adventures

my personal disclaimer:
here s a great one for that hey, remember the 80 s? skit
they used to do on SNL a few years back.
well, they may have been a 2-hit wonder, but
i dig that old new wave stuff.
~~~~~~
i think i got the words right
(all i have is the old vinyl, no lyrics),and you can get the
rhythm, etc.if you listen to the song...
hard to find, even on napster these days though...
(oooh, i said a dirty word! napster!!)
well, have fun. feel free to email me with any corrections, etc.
