Beautiful Words- The Afters
CAPO 2

A	Amaj7	A5	A13
-	-	-	-
-	-	-	-
2	2	2	2
2	1	2	-
2	2	-	2
-	-	-	2

I m not sure if this is even close but it sounds okay... still working out the chorus
but everything else sounds alright...

A **Amaj7**
Slow down
A5
This is such a blur
A13
Tell me what s the hurry now
A **Amaj7** **A5**
Have we been running round in circles
A7
Missing all that we could be
A **Amaj7** **A5** **A7**
You say it s not too late

[Chorus:]
We are words
On pages that we ve left unturned
An ending no one s ever heard
We are a story slowly unfolding
Beautiful words
A **Amaj7** **A5**
I could walk across the ocean
A13 **A**
With you walking next to me
Amaj7 **A5** **A13**
And you could melt away this winter
A **Amaj7**
Now we re starting over
A5 **A13**
We will see it s not too late

[Chorus]

That last when everything else has passed
Even when the stars are gone
I know every single beautiful word that we were will live on

[Chorus]

So thats all I v got, never done this before but it sounds okay so far.. i think
:)
