

**Every Good Thing**  
**The Afters**

(Capo 6)

Verse 1:

**G**                    **Am**                    **C**  
I tend to be busier than I should be  
**G**                                    **Am**                                    **C**  
And I tend to think that time is gonna wait for me  
                  **Am**                                    **C**  
Sometimes I forget and take for granted  
                  **G**                                    **D**  
That it s a beautiful life we live  
                  **Am**                                    **C**  
I don t wanna miss the moments like this  
                  **G**                                    **D**  
This is a beautiful life You give

Chorus:

**G**                                    **D**  
You re the reason for every good thing, every heartbeat  
**Am**                                    **C**  
Every day we get to breathe  
                  **G**                                    **D**  
You re the reason for anything that lasts, every second chance  
                  **Am**                                    **C**  
Every laugh, life is so sweet

Bridge (x2):

**G**  
You re the reason for every good thing, every good thing  
**Em**                                    **C**  
Every good thing, every good thing...(x2)

Verse 2:

**G**                                    **Am**                                    **C**  
There will be days that give me more than I can take  
                  **G**                                    **Am**                                    **C**  
But I know that You always make beauty from my heartache  
                  **Am**                                    **C**  
Don t wanna forget or take for granted  
                  **G**                                    **D**  
That it s a beautiful life we live  
                  **Am**                                    **C**  
I m not gonna miss the moments like this  
                  **G**                                    **D**  
This is a beautiful life You give

Chorus

Bridge (x2)

**G**  
It s our family, it s our friends  
It s the feeling that I get when I see my children smile  
**G** **Em** **C**  
You re the reason for this life, everything we love  
**C**  
It s You alive in us  
**Am** **D**  
You re alive in us

Chorus

Bridge (x2)

**G** **Em**  
You are, You are here in every moment,  
**C** **G**  
And I know that You re every good thing  
**Em**  
You are, You are here in every moment,  
**C**  
And I know that You re the reason for  
**G** **Am** **C**  
Every good thing..... Every good thing...
