

Light Up The Sky
The Afters

I heard this song on the radio and I thought it would be fun to learn how to play.

The actual track isn't out yet, but I figured out the chords by listening off of

YouTube. I hope I didn't make too many mistakes (I'm not so sure about the bridge, though). Enjoy :)

Light Up the Sky - The Afters

[Intro]

Bm G D A (x2)

[Verse 1]

Bm G D
When I'm feeling all alone
A

With so far to go

Bm G D
The signs are nowhere on this road
A

Guiding me home

Bm G D
When the night is closing in

A Bm
It's falling on my skin

G D
Oh God, will you come close?

[Chorus 1]

Bm G
Light, light, light up the sky

D A
Light up the sky to show me you are with me

Bm G
I, I, I can't deny

D A
No I can't deny that you are right here with me

Bm G
You've opened my eyes

D A
So I can see you all around me

Bm G
Light, light, light up the sky

D A
You light up the sky to show me

Bm G (D A) second time
That you are with me

[Verse 2]

When stars are hiding in the clouds
I don't feel them shining
When I can't see beyond my doubt
The silver lining

When I've almost reached the edge
Like a flood you're rushing in
Your love is rushing in

[Chorus 1]

[Bridge]

Em Bm
So I run, straight into your arms
G Em
You're the brightened morning sun

To show your love
G G (let ring)
There's nothing you won't do

[Chorus 2]

G D
Light, light, light up the sky
A Bm
You light up the sky to show me you are with me

G D
I, I, I can't deny
A Bm
No I can't deny that you are right here with me

G D
You've opened my eyes
A Bm
So I can see you all around me

G D
Light, light, light up the sky
A
You light up the sky to show me

G D A Bm
That you are with me

G D A Bm
That you are with me

G D A
