

**Saving Grace**  
**The Afters**

**C#m**            **B**            **E**  
Like a man on a wire, I balance between  
**C#m**            **B**            **E**  
A heart filled with desire, a head that knows everything  
**C#m**            **B**            **A**            **G#m** **F#m**    **E**    **B**  
Somewhere out in the middle you found me  
**C#m**                    **B**                    **E**  
Iâ€™ve got one foot in the clouds, one foot on the ground  
**C#m**                    **B**                    **E**  
You keep me steady somehow, keep me from looking down  
**C#m**                    **B**                    **A**            **G#m** **F#m**    **E**    **B**  
Somewhere out in the middle you found me

Chorus

**A**            **E**            **B**  
Falling into you is safe and sound  
                  **A**            **E**            **B**  
You open up my eyes, I see it now  
                  **A** **E**    **B**  
Youâ€™re my saving grace  
                  **A** **E**    **B**  
Youâ€™re my saving grace  
                  **A** **E**    **B**  
I run to my hiding place  
                  **A** **E**    **B**  
My saving grace

Verse

**C#m**                    **B**                    **E**  
My life hangs on a string but Iâ€™m not afraid  
**C#m**                    **B**                    **E**  
I feel your love down below me, if it starts to break  
**C#m**                    **B**                    **A**            **G#m**            **F#m** **E**    **B**  
Somewhere out in the open you found me

Chorus

**A**            **E**            **B**  
Falling into you is safe and sound  
                  **A**            **E**            **B**  
You open up my eyes, I see it now  
                  **A** **E**    **B**  
Youâ€™re my saving grace  
                  **A** **E**    **B**  
Youâ€™re my saving grace  
                  **A** **E**    **B**  
I run to my hiding place  
                  **A** **E**    **B**

My saving grace
