Intro: **C C/B C/A F G**

C

All of these grateful looks

C/A

All these grateful eyes

F

G

All the furious stares and the fretful sighs

C

Promising everything

C/A

To everyone

F

We ll be back soon

G

You re my favorite one

C

And I ll keep it quiet

C/A

I ll hold you dear

F

G

Your whisperin fills the ear

C

Tell me you ll stay

C/A

We would have such fun

F

G

And a lie, you don t need anyone

F

G

And the screams, the wails, and the call

C

C/B

C/A

The headiness of the Fall

F

G

Ten-thousand miles from where we began

C

C/B

C/A

I fell asleep with a picture in hand

F G

C

It was all for a woman

C

C/A

You say that you re grateful for the time alone

F

G

Two years away and I don t miss home

C

C/A

And everyone asks you if you still think of her

F

G

So you smile politely and you demur

C

C/A

But then all at once your head starts to swell

F

G

And you can feel her breath on your skin

C

C/A

If I let you stay, the same spot today

F

G

She s above you, below you in ways

F

And you re shiverin cold

G

Like you re just 10 years old

C

C/B

C/A

And she s lying asleep in your bed

F

And you re standing beside her

G

The light from inside her

C

C/B

C/A

Filling up the darkness in your head

F G

C

It was all for a woman

F

And you ve drowned in the teasing

G

You ve forgotten the reason

C

C/B

C/A

The muse inspired the art

F

You d give anything for

G

Her to say them once more

C

C/B

C/A

The words you believed at the start

F

G

Ten-thousand miles from where it began

C

C/B

C/A

Falling asleep with a picture in hand

F

G

And it was all... it was all

C

C/B

C/A

For the look in her eyes

F

G

C

Of the promise of the light of a woman
