

Changing
The Airborne Toxic Event

Changing (Acoustic)- The Airbourne Toxic Event

Tabbed by:kcoyote9

Email:

this is my first tab. i love this band and this new single is great. hope you enjoy

CAPO 8

Intro/verse:

C **Am**
All these buckets of rain you can t forget about, you say that I lie,

G
I am a gentleman didn t I

C **Am**
Ask for a place I could stay? Where were we both again? The next part just got in the way

G
You were just always talking about

C **Am** **G**
Changing, Changing, What if I was the same then same then, the same I
C
always was...

VERSES and CHORUS are same chords same pattern. Then...

F **C** **G**
And days pass, turn into weeks where we don t even sleep, we just lay wide
C **F**
awake and pretend we re asleep

F **C** **G** (hold)
And you go home alone, and you re checking your phone, and you re looking
at me like I m something you own...

pretty simple. throw a foot tap in there for drums and you got a one-man

airborne event
