Em **C**
Thereâ€™s a distance in your eyes
G **D**
Thatâ€™s why the smile is always such a surprise
Em **C**
When you call and you talk to me
G **D**
I wonder which person youâ€™re going to be

Em **C**
She said all your songs are sad songs
G **D**
Why do you always have to see the worst of it?
Em **C**
Could you write me just one love song?
G **D**
Put my name somewhere in the middle of it
Em **C**
It s not hard to write Elizabeth
G **D**
just close your eyes boy and take your best guess
Em **C**
cause the truth is hard isnâ€™t it?
G **D**
She said Iâ€™ll be listening in my favorite white dress

repeat the intro

Em **C**
All these quiet afternoons
G **D**
She said I wonder if I've given up my love too soon
Em **C**
As her hair fell from her curls
G **D**
I said you're pretty uptight for a Mexican girl

Em **C**
She said all your songs are sad songs
G **D**
Why do you always have to make me feel like shit?
Em **C**
Could you write me just one love song?
G **D**
Put my name somewhere in the middle of it
Em **C**
And if you call the song Elizabeth
G **D**
All my friends will know that it's about me
Em **C**
Cause the truth is hard isn't it?
G **D**
But don't take too long I just know you'll come back to me

Em C G D

Em **C**
I said all these songs are love songs
G **D**
Just love at times can make you feel like shit
Em **C**
So you write a string of words down
G **D**
It's better if there's some truth in it
Em **C**
It's true I love you Elizabeth
G **D**
I love the way you move in that silly white dress
Em **C**
Cause the truth is hard to admit
G
I've never known love
D
This is just my best guess
