**The Airborne Toxic Event**

CAPO ON 3

Intro

**C** **Am** **C** **Am**

**C** **Am**

It was early for a summer

**C** **Am**

All the people and the noise from the bar

**C** **Am**

You in your gray dress, your arm on the window

**C** **Am**

You said, what s the difference, what s the difference?

**C** **Am**

Just say it to me

**C** **Am**

Just say it to me

**C** **Am**

And let s not make it a thing

**C** **Am**

It will be OK, babe

**C** **Am**

And that was love, when we were sober

**C**

And you re so nervous and all

**Am**

And the air is getting colder

**C** **Am** **C** **Am** **C** **Am** **C**

**C**

OK everything, everything, it s everything

**Am**

Everything, everything, it s everything

**C**

Everything, everything, it s everything

**Am**

Everything, everything, it s everything

**C**

Everything, everything, it s everything

**Am**

Everything, everything, it s everything

**C**

Everything, everything, it s everything

**Am**

Everything

**C**

Do you really want to hear that?

**Am**

Why is everyone staring?

**C**

Were you happy?

**Am**

Were you honest?

**C**

**Am**

Did you ever believe that any of this was real?

**F**

We can t just slow down now

**Am**

**G**

It is not safe for driving out this town

**F**

**C**

I wanted just one thing from you

**C** **Am** x12

**F** **Am** **G** **F** **C**

**C**

Everything, everything, it s everything

**Am**

Everything, everything, it s everything

Just say it to me

**C**

Everything, everything, it s everything

**Am**

Everything, everything, it s everything

Just say it to me

**C**

Everything, everything, it s everything

**Am**

Everything, everything, it s everything

I don t care if you mean it

**C**

Everything, everything, it s everything

**Am**

Everything

**F**

We can't just slow down now

**Am**

**G**

It is not safe for driving out this town

**F**

I wanted just one thing from you

**C**

To let me in

**C Am** x4

**C**

**Am**

So you got out of the car

**C**

You left your bag in the backseat

**Am**

And walked inside

**C**

And that was love
