And the piano s this melancholy soundtrack for her smile
Bbm F#
That white dress she s wearing, you havnt seen her for a while

C#
But you know, that shes watching
Bbm F# C#
Shes laughing, shes turning. Shes holding her tonic like a cross
Bbm F# C#
The room s suddenly spinning, she walks up and asks how you are
Bbm F# C#
You can smell her perfume, you can see her lying naked in your arms

C#
Theres a change in your emotions
Bbm F# C#
All these memories come rushing, like feral waves in your mind
Bbm F# C#
The curl of our bodies, like two perfect circles entwined
Bbm F# C#
You feel hopeless and homeless, and lost in the haze of the wine

C#
Then she leaves with some one you don t know
Bbm F# C#
Bt she makes sure you saw her, she look right at you and bolts
Bbm F# C#
As she walks out the door, your blood boiling, your stomach in ropes
Bbm F#
Oh and when your friends say, what is it you look like youve seen a ghost
