I am just a [C]stranger, in a promised [C]land  
I am only [C]learning a game with the rules I don t under[Bb]stand  
Going round in [C]circles, I ve been round be[C]fore  
I am lost in [C]so many ways  
I can walk no [Bb]more  
I can walk no [C]more

I am just a [C]drifter, in an open [C]sea  
But no matter [C]how much I try, the tide will not turn for [Bb]me  
Going round in [C]circles, till I reach the [C]shore  
I am blown by [C]so many winds  
I can take no [Bb]more  
I can take no [C]more

[Am]Light of the [Am]world, [Am]I stand a[F]lone  
Cause I could not see the [Am]light of the [Am]world  
[Am]Show me the [F]fire, in a true believer s [C]eye

I am just a [C]dreamer, when I close my [C]eyes  
I can fly so [C]close to the sun, that I can not see it [Bb]rise  
Going round in [C]circles, in a silent [C]sky  
I am lost for [C]so many words  
I can not say [Bb]why  
I can not say [C]why

[Am]Light of the [Am]world, [Am]I stand a[F]llone  
Cause I could not see the [Am]light of the [Am]world  
[Am]Show me the [F]fire, in a true believer s [C]eye

Just a [C]traveller, on an endless [C]flight  
But no matter [C]which way I turn, I journey into the [Bb]night  
Going round in [C]circles, till the mountains [C]fall  
To believe in [C]so many truths  
Makes no sense at [Bb]all  
Makes no sense at [C]all

[Am]Light of the [Am]world, [Am]I stand a[F]llone  
Cause I could not see the [Am]light of the [Am]world  
[Am]I was a[F]fraid, cause I could not see the [Am]light of the [Am]world  
[Am]Show me the [F]fire, in a true believer s [C]eye
