

Separate Lives

The Alan Parsons Project

It s (Asus2)been a (Asus4)long (A)road
We ve (Asus2)walked the (Asus4)last (A)mile
We (Asus2)reach the (Asus4)same con(A)clusion
And we (G)stop for a while

To(Asus2)gether (Asus4) we (A)know
The (Asus2)way we (Asus4) must (A)go
We re (Asus2)leaving (Asus4)an il(A)lusion
That s for (G)us to share
Only for (A)us to share

We (D9)live our separate lives
And (Bm)go our different ways
Cause we (Em)don t see eye to eye
And we (A7)can t stand face to face

We (D9)live our separate lives
While (Bm)counting all the days
Till the (Em)two of us arrive
In a(A7)nother time and place

We (Asus2)share the (Asus4)same (A)thoughts
We (Asus2)read the (Asus4)same (A)lines
We (Asus2)meet on (Asus4)sad oc(A)casions
And in (G)happier times

A Asus2)spoken (Asus4) goodA)bye
And (Asus2)both of (Asus4)us (A)try
To (Asus2)walk a(Asus4)way in (A)silence
That s for (G)us to share,
Only for (A)us to share

We (D9)live our separate lives
And (Bm)go our different ways
Cause we (Em)don t see eye to eye
And we (A7)can t stand face to face

We (D9)live our separate lives
While (Bm)counting all the days
Till the (Em)two of us arrive
In a(A7)nother time and place

And (Asus2)always (Asus4) goodA)bye
But (Asus2)heaven (Asus4)knows (A)why
I (Asus2)can t e(Asus4)rase the (A)memory
That s for (G)us to share
Only for (A)us to share

Only for(**G**)us to share
Only for (A)us to share

We (**D9**)live our separate lives
And (**Bm**)go our different ways
Cause we (Em)don t see eye to eye
And we (**A7**)can t stand face to face

We (**D9**)live our separate lives
While (**Bm**)counting all the days
Till the (Em)two of us arrive
In a(**A7**)nother time and place
