out

While the children laughed  
I was always afraid  
Of the smile of the clown  
So I close my eyes  
Till I can t see the light  
And I hide from the sound  
We re two of a kind  
Silence and I  
We need a chance to talk things over  
Two of a kind  
Silence and I  
We ll find a way to work it out

I can hear the cry  
Of the leaf on a tree  
As it falls to the ground  
I can hear the call  
Of an echoing voice  
And there s no one around  
We re two of a kind  
Silence and I.....
