The Alan Parsons Project - Standing on Higher Ground
Track #4, Gaudi, 1987

[F]I know the truth but I can t [Bb]say
And [Ebsus4]I have to turn my [Eb]head and look the [F]other way
[F]I m not afraid and I won t [Bb]lie
As [Ebsus4]long as I see no [Eb]wrong I won t need to [F]testify

[F]I see the world and I m [Bb7]looking from a high place
[Bbsus4]Way above it all standing on higher [F]ground
[F]I breathe the air while they re [Bb7]running in a rat race
[Bbsus4]Way above it all standing on higher [F]ground

[F]I feel the blow but I don t [Bb]speak
And [Ebsus4]I have to close my [Eb]eyes pretending [F]I m asleep
Well [F]I see the tears but I don t [Bb]cry
As [Ebsus4]long as I do no [Eb]wrong I don t need an [F]alibi

[F]I see the world and I m [Bb7]looking from a high place
[Bbsus4]Way above it all standing on higher [F]ground
[F]I breathe the air while they re [Bb7]running in a rat race
[Bbsus4]Way above it all standing on higher [F]ground
