

**Direct Action**  
**The Alarm**

Standard tuning or tune to Eb and transpose down one step to give you open chords.

(Mike Peters of the alarm usually tunes his guitars to Eb)

**Intro**

Direct Action !

**B** (in feedback) **B F# E F# B X6**

**Verse 1**

**B**

Fire in the hold, war coming down

As Wall Street crashes to an all time low

**E F#**

To find inspiration where there is none, You re going to have to take

**Chorus**

**B**

**E**
