Take a walk round your city walls

Before they all fall down

Take a walk down any street

You re gonna feel the stares of us all

Can you feel it burning

Shame is what it s called

You d better look at what you have created

Think of all the people who hate you

[**Asus4 - A** pattern:]

These are the people that made you

When you said you cared for us all

These are the people who ll break you

Get prepared for the fall

[**D - Cadd9 - G/B** pattern:]

and we ll go marching on, hear our sound,

hear our voice, we re growing stronger

marching on, we re not alone now

we re keeping on, we re marching on

**G**

[D - C - G/B pattern:]  
power on the right side  
fights the power on the left  
We have got to stand together  
Forget the east and west

[Asus4 - A pattern:]  
Cause there s another voice crying in the ghetto  
Another mouth to feed  
Another heart beating in the ghetto  
Another soul to set free

[D - Cadd9 - G/B pattern:]  
and we ll go marching on, hear our sound,  
hear our voice, we re growing stronger  
marching on, we re not alone now  
we re keeping on, we re marching on
