One guitar. Cause im a soldier marching in an army I got no gun to shoot
C/G
all ive got is one guitar

(Continue **C/G** - **Fmaj7**)

Could be the middle of night or the middle of the street
It could be uptown, downtown or even where you sleep
I hear the marching drum I hear a song unsung
It could be your dream, my dream I m not the only one

Cause im a soldier marching in an army I got no gun to shoot
all ive got is one guitar

I see the risin smoke I hear a heartbreak joke
All of my brothers and sisters I think it s time we spoke
I ve only got six strings but like a bell they ring
It s like a jet plane, insane crashin in my brain

Cause im a soldier marching in an army I got no gun to shoot
all ive got is one guitar

So if you get knocked down you gotta take a stand
For all the outcast, dead last who need a helping hand
You ve got to raise your voice raise it up loud
You ve got to raise your voice above the crowd

Cause im a soldier marching in an army I got no gun to shoot
all ive got is one guitar
