The All-American Rejects

Capo 1

```
Bbm         G#
    All the windows,
         C#
Swear to miss you,
        Eb                        Bbm
And the doors are cell block tight,
       G#
Sweet sedation,
          C#
Sweep the issues,
           Eb
And the clocks about to strike
F#                 G#
Did it call you down,
                      Bbm
Are you back just yet,
                   C#
Waiting now please come set me free,
F#                 G#         Bbm
And the only sound is a minute left.
  Bbm    C#     Eb                           C#
This could be, this could be the last time
```

```
                       G#
It s a chance to fix mistakes,
        Fm                 C#
One more for the last time,
                       G#
Don t you throw our dreams away,
                  Fm                   Eb
Don t waste this chance with your smile
                     G#
10 seconds left on this dial,
      Fm
This could be the last time.
```

```
Bbm           G#
Along the staircase,
           C#
I dream to hear you,
      Eb                   Bbm
In a whisper quiet room,
          G#
Space for thinking,
```

```
           C#
Space to scream to,
          Eb
But the echoes sound like you,
F#                    G#
Not the stars at night,
                  Bbm
In a pitch black sky,
                 C#
I don t know just wants to see you
F#               G#                  Bbm
But the time is right and it only flies
Bbm   C#       Eb                          C#
This could be, this could be the last time

                       G#
It s a chance to fix mistakes,
        Fm                 C#
One more for the last time,
                     G#
Don t you throw our dreams away,
                 Fm                   Eb
Don t waste this chance with your smile
                     G#
10 seconds left on this dial,
      Fm                       F#
This could be the last time.

          Fm
It s only us,
           Eb
It s only now,
           Eb
A simple wish,

It s only tonight.

F#-G#-Bbm-C#-Eb
F#-G#-Bbm
Bbm-C#-Eb

This could be the last time,
C#
Now I ve made our last mistake
G#         Fm              C#
One more for the last time,
                      G#
And you throw our dreams away, (This could be, this could be)
       Fm
Don t waste this chance with your smile (This could be, this could be)
E
10 seconds left on this dial, (This could be, this could be)
          G#                Fm
```

This could be the last time. (This could be, this could be)
F#   **Fm**
It s only us,
              Eb
It s only now,
                C#
It s only tonight.
