

D

Space to scream to,

E

But the echoes sound like you,

G

A

Not the stars at night,

Bm

In a pitch black sky,

D

I don't know just wants to see you

G

A

Bm

But the time is right and it only flies

Bm D

E

D

This could be, this could be the last time

A

It's a chance to fix mistakes,

F#m

D

One more for the last time,

A

Don't you throw our dreams away,

F#m

E

Don't waste this chance with your smile

A

10 seconds left on this dial,

F#m

G

This could be the last time.

F#m

It's only us,

E

It's only now,

E

A simple wish,

It's only tonight.

G-A-Bm-D-E

G-A-Bm

Bm-D-E

This could be the last time,

D

Now I've made our last mistake

A

F#m

D

One more for the last time,

A

And you throw our dreams away, (This could be, this could be)

F#m

Don't waste this chance with your smile (This could be, this could be)

F

10 seconds left on this dial, (This could be, this could be)

A

F#m

This could be the last time. (This could be, this could be)

G **F#m**

It s only us,

E

It s only now,

D

It s only tonight.
