

**Another Heart Calls**  
**The All-American Rejects**

[Intro]

**Dm F C** x2

[Verse 1]

**Dm F C**

Do you remember when we didnâ€™t care

**Dm F C**

We were just two kids that took the moment when it was there

**Dm F C**

Do you remember you at all

**Dm F C**

Another heart calls

**Dm F C**

I remember when we stole the night

**Dm F C**

Weâ€™d lie awake but dream until the sun would wash the sky

[Pre-Chorus]

**Dm F**

Just as soon as I see you

**C**

Didnâ€™t I didnâ€™t I tell you

**Dm F**

As deep as I need you

**C**

You wanna leave it all

[Chorus]

**Dm**

What can I do

**Bb**

Say itâ€™s true

**F C Dm**

Or everything that matters breaks in two

**Bb**

Say itâ€™s true

**F C**

Iâ€™ll never ask for anyone but you

**Dm F C**

[Verse 2]

**Dm**

Talk to me

**F C**

Iâ€™m throwing myself in front of you

What can I do

I donâ€™t care

You were never there
