**C G Am**

Hold on tight

**C G F**

Couldn t match the bitter taste of all these wasted years

**C C**

You take take

Everything that wasn t even yours

**G G**

Wait wait

You don t got a hold of me anymore

(coro)

**C G**

In a clear view there s a silhouette

**A F**

And i watch you and i can t forget

**C G**

Knew we were done when you locked that door

**A**

Yeah i figured it out now

**F**

Breaking s what the heart is for

**C G**

When i see you in a silhouette

**A**

And you hold close

**F**

Do you feel regret

**C G**

Keeping me down when i hit that floor

**A**

And i figured it out girl

**F**

Breakings what your heart is for

(repete até o fim)

For so long

I ve had to bite my tongue but what s the point if the feelings gone  
I turn my head  
Learned i only see some memory but all i see is red

Don t don t  
Say it didn t happen that way  
I won t won t  
Believe another word that you say

(coro)  
In a clear view there s a silhouette  
And i watch you and i can t forget  
Knew we were done when you locked that door  
Yeah i figured it out now  
Breaking s what the heart is for

When i see you in a silhouette  
And you hold close  
Do you feel regret  
Keeping me down when i hit that floor  
And i figured it out girl  
Breakings what your heart is for

Yeah breaking s what your heart is for  
Yeah breaking s what your heart is for

And not a soul sleeps  
Another heart skips a beat  
It s every note that you wrote and i hope that you choke on the lines  
You re wasting my time another heart beats tonight

(coro)  
In a clear view there s a silhouette  
And i watch you no i ll never forget  
Knew we were done when you locked that door  
Yeah i figured it out now  
Breaking s what the heart is for

When i see you in a silhouette  
And you hold close  
Do you feel regret  
Keeping me down when i hit that floor  
And i figured it out girl  
Breakings what your heart is for
