Verse 1

**C G A(minor)**

Hold on tight

**C G A(minor)**

Wrap your arms around me til your knuckles are burning white

**C G A(minor)**

All your tears

**C G A(minor)**

Couldn t match the bitter taste of all these wasted years

**C C** [Both times one strum]

You take take

Everything that wasn t even yours

**G G** [Both times one strum]

Wait wait

You don t got a hold of me anymore

(Chorus)

**C G**

In a clear view there s a silhouette

**A(minor) F**

And I watch you and I can t forget

**C G**

Knew we were done when you locked that door

**A(minor)**

Yeah I figured it out now

**F**

Breaking s what the heart is for

**C G**

When I see you in a silhouette

**A(minor)**

And you hold close

**F**

Do you feel regret

**C**

**G**

Keeping me down when I hit that floor

**A(minor)**

And I figured it out girl

**F**

Breakings what your heart is for

Repeat for the rest of the song

For so long

I ve had to bite my tongue but what s the point if the feelings gone

I turn my head

Learned I only see some memory but all I see is red

Don t don t

Say it didn t happen that way

I won t won t

Believe another word that you say

(Chorus)

In a clear view there s a silhouette

And I watch you and I can t forget

Knew we were done when you locked that door

Yeah I figured it out now

Breaking s what the heart is for

When I see you in a silhouette

And you hold close

Do you feel regret

Keeping me down when I hit that floor

And I figured it out girl

Breakings what your heart is for

Yeah breaking s what your heart is for

Yeah breaking s what your heart is for

And not a soul sleeps

Another heart skips a beat

It s every note that you wrote and I hope that you choke on the lines

You re wasting my time, another heart beats tonight

(Chorus)

In a clear view there s a silhouette

And I watch you, no I ll never forget

Knew we were done when you locked that door

Yeah I figured it out now  
Breaking s what the heart is for

When I see you in a silhouette  
And you hold close  
Do you feel regret  
Keeping me down when I hit that floor  
And I figured it out girl  
Breakings what your heart is for
