Ok, this is my first but i have a feeling its ok. Hope u enjoy it!

B E G#m F#

Dont solve the problem when danger is bitter

B E G#m F#

Far away where you stock them in cages that tether

Pre-Chorus:

E E

And all the bridges you ve burned

E B

Leave you trapped out at all sides

E B E F#/C

Now the tables do turn and its all gone whats left for you

Chorus:

E B E F#

And when the sky is falling, dont look outside the window

E B E F#

Step back and here I m calling, give up, dont take the fast road

E B E B

Its just your doubt that binds you, just drop those thoughts behind you

E E B F#

Now, Change your mind and let go too soon

Sit down, youre sinking, there s no one to watch you Skip town youre thinking, there s no one to stop you

Pre-Chorus...

E G#m E

Dont run away, stop feeling fine

E B F#

Its better than your worst, your worst day

E G#m E

No words to say, I ll give you mine

E F# В And pocket all the hurt, and just stay G#m E Dont run away Its better than your worst, your worst day Chorus (softly) Chorus E B/G#m Dont run away F# Change your mind F# And let go too soon (x4)

That s all, hope you enjoy and hope you agree!
