Fast Slow
The All-American Rejects

Intro: **G Em D** x2

    G
If only for tonight,
                          Em
Yeah, I could dig myself a grave

But even 6 feet down
    D
I know I d be found feelin this way
      G
If only I could find
                  Em
Yeah, just a reason to believe
                              D
That there s nothin that s up your sleeve

Even though you re wearin that tank top
Am
Love me or leave me but just not behind
Em
We don t need money the way we spend time
                  C
 Cause if it s real tonight,
(High) **D**
You and I could really be somethin

G
You ll go fast, I ll go slow
Em
Meet you in the middle just to let you know
        Am
It s gonna be alright, (it s gonna be alright)
      D
If it s me and you tonight (if it s me and you tonight)
                  G
(Are you ready now) You ll go fast, I ll go slow
Em
Light my fuse and your body explodes
       Am   **D**
It s gonna be alright (it s gonna be alright)
              G **Em** **D**
Are you ready now
            G **Em** **D**
I m ready now

```
      G
If only I were bright,
                              Em
And I could let go of my brain,
                            D
Put a tourniquet on your sweet injection into my vein
       G
And ~ooh~, that s the stuff
                              Em
And I say that you re the drug,
                   (High) D
12 steps wouldn t be enough to kick

You re just that rough

Am
Make me a crazy I just can t define,
Em
There s not a closet for you in my mind.
          C
But you puzzle me tonight,
(High) D
Let s play with your bits and pieces

G
You go fast, I go slow
Em
Meet you in the middle just to let you know
          Am
That it s gonna be alright, (it s gonna be alright)
       D
If it s me and you tonight (if it s me and you tonight)
                        G
(Are you ready now) You go fast, I go slow
Em
Put her in drive and the car just goes
Am                                        D
It s gonna be alright (it s gonna be alright)
                  G   Em   D
Are you ready now
                 G   Em   D
I m ready now.

Am                              Em
(Baby) Ooh I m gonna take my time (I need you baby)
        Am                Em           D
If you stay with me once again, once again
```

```
        Em                      C
It s a heaaaaaaaaart attack, heart attack
      (High) D
 Cause I want you so bad (ooh I want you, too)

But I hope this lasts forever (and ever)
G
You go fast, I..go..slow.

G
You go fast, I go slow
Em
Meet you in the middle just to let you know
            Am
That it s gonna be alright, (it s gonna be alright)
        D
If it s me and you tonight (if it s me and you tonight)
                          G
(Are you ready now) You go fast, I go slow
Em
Light my fuse and your body explodes
       Am                                    (High) D
It s gonna be alright (it s gonna be alright)
                   G   Em  D
Are you ready now
                 G   Em  D
I m ready now.

G      Em      D
    Uh huh, oh are you ready now..? x4
```
