All American Rejects - Gives You Hell
Eeked out by Mark Wheeler

[Verse 1]

E **A**
I wake up every evening
F# **E**
With a big smile on my face
C#m **A**
And it never feels out of place.
E
And you re still probably working
A
At a 9 to 5 pace
C#m **A** slide to **G#m**
I wonder how bad that tastes

[Chorus]

E
When you see my face
C# **A**
I hope it gives you hell, I hope it gives you hell
E
When you walk my way
C# **A** slide to **G#m**
I hope it gives you hell, I hope it gives you hell

[Verse 2]

E **A**
Now where s your picket fence love
F# **E**
And where s that shiny car
C#m **A** slide to **G#m**
Did it ever get you far?
C#m **A**
You ever seem so dead slow
A **E**
Never seen you fall so hard
C#m **A**
Do you know where you are?
