When you walk, don t leave a note  
Just put your hands on the back door  
When you talk, it s just a joke  
Just know, I can t take it anymore

(Down) there you go always  
(See if I care) fading  
(Down) don t you know where I ll be?  
Cause I m here, on my own

CHOROUS:

Waiting, when I m waiting  
I ve been here before  
And I don t care where I m going  
So I ll be,  
waiting When I m waiting  
I ll tell you once more  
That as long as you re gone  
Then I ll stay

MIDDLE PIECE:

**F#m**  
Outside there s no place I can hide  
**F#m**
