MAN I LOVE PLAYIN DA GUITAR. PEACE OUT..

1ST VERSE:

C **G**
This may be the last thing that I write for long
Dm **F** **G** **C**
Can you hear me smiling when I sing this song, for you and only you

C
As I leave will you be someone to say good-bye
G
As I leave will you be someone to wipe your eye
Dm **F**
My foot is out the door, and you can't stop me now

PRE-CHORUS:

Am **F**
You wanted the best, it wasn't me, will you give it back
C **G**
Now I'll take the lead, when there's no more room to make it grow
Am **F**
I'll see you again, you'll pretend you're naive, is this what you want
C **G**
Is this what you need, how you end up let me know.

CHORUS:

C **G**
As I go, remember all the simple things you know,
Dm
My mind is just a crutch and I still hope, that you will miss me when
F
I'm gone
F
This is the last song

REPEAT THE 1ST VERSE:

The hearts start breaking as the year is gone
The dream's beginning and the time rolls on
It seems so surreal, now I sing it.
Somehow I knew that it would be this way,
Somehow I knew that it would slowly fade.
Now I'm gone, just try and stop me now.

REPEAT PRE-CHORUS:

You wanted the best, it wasn't me, will you give it back
Now I'll take the lead, when there's no more room to make it grow

I ll see you again, you ll pretend you re naive, is this what you want
Is this what you need, how you end up let me know.

REPEAT CHORUS:

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope, that you will miss me when
I m gone
This is the last song

C G Dm
And will you need me now, you ll find a way somehow
F C
You want it too, I want it too.

REPEAT CHORUS:

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope, that you will miss me when
I m gone
This is the last song
[repeat 2x]
