

Walk Over Me

The All-American Rejects

Based off of the acoustic version. I m not sure if this is entirely right. This is my first tab and I just wanted to get some attention for the new album which hasn t gotten a lot of tabs. Any corrections or criticisms welcomed!

Capo 5

(Hmm, so tell me about your mother)

F#

But if I jumped out of the window what would she say

F#

F#

It s not on me, it s all on you

B

B

We can t deny the things we do

F#

C#

I can t believe her pretty feet

F#

F#

Walked over me all over me

F#

Help me, help me doc

F#

Ebm

Ebm

It seems to be an awful lot for me to understand

F#

I know I m not a specimen,

F#

The troubles and the mess I m in

C#

He said, listen son I think

F#

That you ve had all your fun

Ebm

Ebm

It s time to be a man

B

So you better quit your bitchin

C#

F#

Think about what the people would say

F#

F#

It s not on me, it s all on you

B

B

I can t prescribe what you want me to

F#

C#

You need some sleep, you better leave

F#

F#

You walked over me all over me

B

(He don t got a lot but he s got all he needs)

F#

I need someone to love

Ebm

B

C#

(And all he s got well it s all that he needs)

F#

Ebm

Somebody help me cause I can hear the voices in the tube

B

C#

F#

To get me through anything I do and anything will do good by me

Ebm

A little pill, a little thrill, should I take it I think I will

B

C#

And anything will do good so as long as it s always too good

F#

C#

F#

Either way I don t give a damn what you people all say

All now boy
