Makes it hard, it could be easy

Who you are, that s just who you are baby

Must mistake me, your re a sucker

To think that I,

Would be a victim not another

Say it, play it how you wanna

But no way, I m never gonna fall for you, never you baby

[Chorus]

Bb

Maybe if we both lived in a different world, yeah

F

(womanizer, womanizer, womanizer, womanizer)

Bb

It would be all good,

And maybe I could be your girl

E

But I can t, cause we don t,

Dm

Me and you, and you for me

C

No matter how we toast the dice, it had to be

Bb

It only want for me as you, and you for me

E

F

So happy together
