Oh, tell me bout the car I saw, parked outside your door,
tell me what you left me waiting, two or three hours for.
Tell me why when the phone rings baby, you re up and across the floor,

I think about the bad times, Lord I think about yours and mine,
you were lost in the silver spoon, thought I pulled you out in time.
And I hope that you got reasons, for the way that you ve been lyin ,
please, don t keep me wonderin , no longer.
