Mean Woman Blues - The Allman Brothers

Transkripted by BluesDirk

E **A** **E**
Well I love you baby, but you wont give me the time of day.

A **E**
Well I love you baby, but you wont give me the time of day.

B **A** **E**
Treat me so bad, but I love you anyway.

Early in the morning sun begins to rise,
Early in the morning sun begins to rise,
Call out your name, wring my hands and cry

B **A**
Got me runnin, dont know what to do,

B
There wont be much of me when you get through.

A
Down on the bottom, nothing left to lose,

E
Lord I got em, mean woman blues.

Solo

Well, I love you baby, but you dont even know my name.
Well, I love you baby, but you dont even know my name.
Dont care about me but love you just the same.

Now, someday baby, take you by the hand,
Yeah, someday baby, take you by the hand,
You be my lovin child and IÂ'll be your lovin man.

Yeah, you got me runnin, dont know what to do,
There wont be much of me when you get through.
Down on the bottom, nothing left to lose,
Lord I got em, mean woman blues.

Solo

Got me runnin, dont know what to do,
There wont be much of me when you get through.
Down on the bottom, nothing left to lose,
Lord I got em, mean woman blues.
