Your love is extravagant  
Your friendship is so intimate  
I find Iâ€™m moving to the rhythms of your grace  
Your fragrance is intoxicating in our secret place  
Your love is extravagant

Spread wide in the arms of Christ, is a love that covers sin  
No great love have I ever known, you considered me your friend  
Capture my heart again, capture my heart again

Your love is extravagant  
Your friendship is so intimate  
I find Iâ€™m moving to the rhythms of your grace  
Your fragrance is intoxicating in our secret place  
Your love is extravagant

Spread wide in the arms of Christ, is a love that covers sin  
No great love have I ever known, you considered me your friend

Spread wide in the arms of Christ, is a love that covers sin  
No great love have I ever known, you considered me your friend  
Capture my heart again, capture my heart again  
Capture my heart again, capture my heart again
